Welcome to our 2011/ 2012 Brochure.

We hope this will be of assistance to you for information about our range of ready selected hampers and Gifts. We currently run three websites.

scottishgourmetfood.co.uk scottishgourmethampers.co.uk and scottishcorporatehampers.co.uk

Scottish Gourmet Hampers offers a wide range of ready selected Hampers and Gifts most of which are displayed in this brochure.

Scottish Gourmet Food, again offers these Hampers and Gifts but also offers over 400 individual food and drink products for you to select from, to create your own Hamper, or to add some extras to a Ready Selected Hamper.

At certain times we may have to make substitutions for the advertised contents of our hampers. If we have to do this we guarantee to use similar products of equal or greater value.

We specialise in Corporate Hampers and Gifts and Celia and Robin would be very happy to assist you personally with your corporate requirements. Discounts will be applied to the prices in this brochure for bulk orders.

Enjoy browsing this brochure but please remember we are able to offer a much wider service on our web sites.

Happy reading and we hope to hear from you soon.
